

**UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF MISSISSIPPI**

**ORDER REGARDING BANKRUPTCY
NOTICING CENTER SERVICE INTERRUPTION**

Due to a service interruption affecting the Bankruptcy Noticing Center (“BNC”) reported on October 9, 2026, certain notices required in bankruptcy cases and proceedings have not been transmitted. The Court finds that these circumstances constitute good cause for relief under Fed. R. Bankr. P. 9006.

IT IS THEREFORE, ORDERED that:

1. **Affected Notices.** No party shall be prejudiced by a failure to respond to a notice that was not served as a result of the BNC service interruption, subject to applicable law and further order of the Court.
2. **Deadlines and Hearings.** Upon request of a party in interest, or on its own initiative when permitted by law, the Court may extend or reset deadlines or continue hearings as necessary to address the interruption. Parties may request relief by written motion or orally at a previously scheduled hearing. Parties should confer when practicable and advise the Court whether the requested relief is agreed or opposed. All scheduled hearings shall proceed unless the Court orders otherwise.

To facilitate the continued administration of bankruptcy cases and proceedings, pursuant to Fed. R. Bankr P. 2002, 2003, and 9006, it is hereby **FURTHER ORDERED**:

1. **Service Upon a Debtor Represented by Counsel.** The debtor’s attorney shall promptly provide the debtor with a complete copy of every notice, order, and other court-issued document that ordinarily would be transmitted to the debtor through the BNC. The debtor’s attorney shall also promptly review the docket to identify any such documents

entered **on or after October 7, 2026**, and provide the debtor with copies of any documents not previously provided.

2. **Service Upon an Unrepresented Debtor.** The Clerk of Court shall mail to each unrepresented debtor a complete copy of every notice, order, and other court-issued document that ordinarily would be transmitted to the debtor through BNC.
3. **Service of Hearing Notice.** For any matter set for hearing, the movant's attorney shall serve the hearing notice on all required parties and file a certificate of service within three days after the hearing notice is entered on the docket.
4. **Chapter 7 Meeting of Creditors Under 11 U.S.C. §341.**
 - a. Meetings of creditors under 11 U.S.C. § 341 shall continue to be convened as scheduled. The presiding Chapter 7 trustee shall verify that the notice of the meeting was timely and properly served. If the trustee determines that notice was untimely or improper due to the BNC service interruption, the trustee shall adjourn the meeting and shall not conclude it until proper notice has been provided for all creditors to have an opportunity to participate.
 - b. The trustee may conduct such limited examinations or other proceedings as are reasonably necessary to protect the estate and discharge the trustee's duties, without prejudice to creditor's rights to participate following proper notice. All adjournments shall comply with Fed. R. Bankr. P. 2003(e).
 - c. The trustee shall file a statement specifying the date and time of the rescheduled meeting and stating that the meeting was rescheduled because of inadequate notice due to the BNC service interruption.

d. The Court will enter an order extending deadlines the Court deems necessary and providing creditors notice of the rescheduled meeting of creditors under 11 U.S.C. § 341. BNC shall serve that order on all creditors in the case.

5. **Certificate of Service**. Each certificate of service required by this Order shall comply with Miss. Bankr. L.R. 9004-1(c).
6. **Duration**. This Order remains in effect until further order of the Court.
